

# Referral Partnership Program

## DO YOU KNOW BUSINESS OWNERS?

If you know business owners and want to help save them money, increase their profits & have a better overall experience with a dedicated account manager at their disposal, you simply make a referral of the business to DMS. DMS will contact the company and offer a free consultation of our payment processing programs and services. If we are a good fit for them, you make money!

You make money and become the hero with the business!

### Program information:
